- On-time graduation rate: This rate is calculated using the number of students who completed the program within the normal timeframe divided by the number of students who completed the program between July 1, 2010 to June 30, 2011.
- Placement Rate: This rate is based upon graduates from July 1, 2010 through June 30, 2011, as reported on the ACCSC Annual Institutional Report. Operator ID# 00758 was accredited by ACCSC during the reporting period but is now accredited by ACICS.
- Median loan debt disclosures are for graduates from the program during the period from July 1, 2010 through June 30, 2011. Institutional financing median debt has been reduced for all payments made while the student was in school.
- Tuition and fees represent the current cost to full-time students making scheduled academic progress. Retaking courses or not attending full time may change total charges.
